8. What is the difference between the Terms and Conditions from HHS Stimulus Round 1 and those for Round 2?

Date Added: 04/29/20

Answer: From what we can tell, there are two additional Conditions included in the Terms and Conditions for Round 2. They are:

- Public disclosure of payment received from the Relief Fund. Recipient also acknowledges that this disclosure may allow others to estimate the recipient's gross receipts or sales or revenue, but we suspect that sentence is a carryover from when they were initially going to require "net patient revenue" data for 2018, but the financial reporting requirement changed to "estimated lost revenue" for March and April 2020.
- Certification that information is true, accurate, and complete to "the best of its knowledge" and that deliberate omission, misrepresentation, or falsification is punishable by criminal or civil penalties or exclusion from federal programs.
